**Cadillac Products Packaging Company's film plant passes
ISO 9001:2015 and FSSC 22000 registration audits!**

Troy, MI – April 20, 2023 – [Cadillac Products Packaging Company](#) (CPPC), a well-established, innovative manufacturer of films and laminations, today announced the Company's film plant in Paris, IL has been recommended for registration to both ISO 9001:2015 and FSSC 22000 by its registrar, DQS

Certifications to these standards helps ensure the quality and safety of our films for use in many markets including; Food & Beverage, Industrial, and Medical & Pharmaceutical. This is of particular importance to us as we also convert our films into laminations used by our customers from our GFSI Certified facility in Dallas, GA.

“ISO 9001:2015 & FSSC 22000 provide the structure to standardize and continually improve our Quality Management System and Food Safety Management System” said Enzo Lico CPPC's Director of Quality Systems.

“The achievement of the ISO 9001:2015 certification for our Paris, IL facility demonstrates an ongoing commitment to quality and continuous improvement through an effective quality management system and builds upon our current BRC & IMS certifications:” said Sueann Belmonte, Medical Market Manager for CPPC.

“We are very proud of what all of those involved accomplished to achieve both ISO 9001:2015 and FSSC 22000 certifications for our Paris, IL manufacturing plant. Being certified reaffirms our commitment to continuously improve our employee's safety, our manufacturing processes and to ensure the high level of our product quality for our customers and end users” said Casey Turner, CEO of CPPC.
